

Pitcher's Progress

The monthly newsletter for staff of C G Pitcher and Son Ltd

Welcome to news letter number 5!

Durweston School handover at last!

It was frantic for a while but we got there in the end and on time (just)! Thanks to Graham, Garry and the team and all their hard work the new school extension is now finished and has been handed back for the pupils' new school term. Well done everyone who worked so hard to get this project finished and to CGP's usual high standard.

Topping Ceremony

Back in July on a rare sunny day, the topping ceremony took place. Here is a photo of Graham with Mrs Hosford who kindly placed the cross on the roof top for us.

Job Progress

Although Durweston has been at the forefront of work there has been steady progress with many other projects. Three Legged Cross, Lloyds Chemist at Wimborne and at Birch House are either progressing well or due to be completed. Verwood Primary School is now complete. We have also just started work at Gussage All Saints and St Marks School, Swanage.

Staff Matters

There have been a few changes this month:-

Goodbye to Rick

People will always come and go but Rick was quite a character and will be missed. We wish him luck and understand that he is going back to running his own business.

New Staff

We welcome Andy a Carpenter and Jane and John, Painters to our team. Editor is yet to find out the juicy details about these characters but watch this space!

Staff Profile—Garry Butler

Garry is our longest working member of staff and as you may expect was delighted to be chosen for this month's newsletter!

Editor is sure he has many hobbies but is keeping them a secret and all we know is that he is a keen Weymouth footy club fan. He is also a family man with a son and daughter.

We would like to thank him for his ongoing hard work for the company and especially at Durweston School.

Garry

And finally... but most importantly Christmas Party

This year the Christmas party is being held at Salterns Harboursie Hotel in Poole on Saturday 20th December 2008. There will be a three course meal with a disco for those keen dancers afterwards.

Although early it is important that we at least confirm numbers so if you would like to attend please let either Sammy or Bubbles know.

The company has agreed to pay for transport up to a certain amount (TBC). There are also double rooms available at £75.00 B&B if you are interested.
